

## **Your next step?**

### **Exciting Career Opportunity for a dynamic Senior Rehab Consultant**

A dynamic and vibrant rehabilitation company is about to enter its next stage of growth and is seeking a forward thinking Senior Rehabilitation Consultant to drive the team to the next level.

Based in Brisbane, the opportunity exists to lead the team that takes this business to the next level. This company is about to experience a rapid stage of growth and is adopting a new business model to service the market on a national level. This organisation requires a Senior Rehabilitation Consultant with experience in occupational and organizational rehabilitation services to provide guidance and mentoring to the current team and support the business initiatives to grow the National Operations of this business.

Having secured an impressive list of corporate clients this business is waiting for you to drive the delivery of its service portfolio to the next level.

This position would suit Occupational Therapists, Psychologists, Physiotherapists; and Rehabilitation Counsellors with 5 years experience in delivery of occupational rehab services. Supervisory or management experience would be regarded favourably as would tertiary business qualifications. In return a highly competitive salary package including bonus, superannuation, education support and the opportunity to lead a dynamic and vibrant company with a highly cohesive culture.

If you are ready to take the next step within your career then please submit your CV and covering letter to [ameduselac@genesishab.com.au](mailto:ameduselac@genesishab.com.au). Alternatively you can call our General Manager for a confidential discussion on 1300 443 637.
