

# Occupational Therapist

The Maxima Group is a not for profit organisation delivering innovative allied health services to the Disability Employment sector across Australia.

Maxima Vocational Services is seeking qualified individuals who:

- Have previously worked and have an understanding of the issues facing clients with a disability who are currently working or re-entering the workforce
- Work within an evidence based practice model, providing assessments and developing practical solutions to support these assessments
- Can help establish and maintain positive working relationships with a range of stakeholders including multidisciplinary specialists, community groups, employers, customers and government agencies
- Excel at working to strict deadlines and can provide complete and comprehensive reports to substantiate assessments

You will become part of a dynamic and growing team of professionals who are passionate about their work, take pride in their professionalism and are committed to maintaining an effective and caring business culture.

Applicants must possess:

- Diploma or High Level qualification in Occupational Therapy, Psychology, Physiotherapy, Rehabilitation, Registered Nursing or Vocational Training
- A minimum of two years experience working with clients with a disability in the employment or related areas
- A desire to work across and within multiple teams
- An ability to communicate with a wide cross-section of the community
- Initiative, problem-solving skills and energy for making a difference (essential)
- Past experience in Disability Employment Services, Vocational Rehabilitation Services or Job Capacity Assessments

These positions suit casual/sessional employment but part time will be considered for the right applicant.
