

# Senior Lecturer in Occupational Therapy

## Program Leader, Bachelor of Occupational Therapy

School of Health and Sport Sciences  
Faculty of Science, Health and Education

Reference No: 1098

**Applications close:** 5pm, Monday 5 April 2010

Joining the staff at the University of the Sunshine Coast will give you the opportunity to work with one of the most qualified academic cohorts in Australia, in one of the country's most sought after coastal locations.

The University's growing reputation for academic excellence and graduate satisfaction has again resulted in an increase in enrolments for 2009. The picturesque campus, exceptional facilities and comprehensive range of staff development opportunities continues to attract high calibre staff to this modern academic institution.

As one of the Sunshine Coast's largest employers, the University prides itself in offering excellent working conditions in a supportive environment.

The occupational therapy program at the University of the Sunshine Coast (USC) uses blended delivery methods to create effective links between theory and practice. An emphasis on developing a strong professional identity and exceptional clinical skills underpins the program's curriculum framework. Case-based learning experiences are linked with varied fieldwork placements in every year of the program.

New, purpose-built facilities, including a simulated living unit, allied health clinic and splinting facility, enable USC to offer students hands-on experiences from the beginning of their first year.

Obtain the position description, selection criteria and details on how to apply from our website [www.usc.edu.au/jobs](http://www.usc.edu.au/jobs) or via email [jobs@usc.edu.au](mailto:jobs@usc.edu.au)
